Cholistan University of Veterinary and Animal Sciences Bahawalpur

Prof. Dr. Muhammad Mazhar Ayaz

CUVAS is dedicated to transforming the livestock sector in cholistan and southern Punjab through education, research, disease diagnostics, and training. As a state-of-the-art institution, we drive innovation in livestock, poultry, wildlife, and allied sectors to empower communities with knowledge, expertise, and skilled professionals. Our commitment extends to supporting industry and trade by ensuring the production and export of safe, high-quality livestock products, disease diagnosis & para veterinary training to boost the country economy and self-reliance with focus on indigenous gene pool.
