

Cholistan University of Veterinary & Animal Sciences (CUVAS), Bahawalpur
May 2026 Activities & Events

1. CUVAS Announces Eid-ul-Azha Congregational Prayer at Jamia Masjid on May 27, 2026

All faculty members, officers, staff, students, and residents are hereby informed that Eid-ul-Azha prayer will be offered on Wednesday, 27th May 2026, at 6:45 a.m. at the Jamia Masjid of the University.

Worthy Vice Chancellor will also offer Eid-ul-Azha prayer at the CUVAS Jamia Masjid. All members of the university community are cordially invited to participate in the congregational prayer and join in the spirit of unity, sacrifice, and brotherhood on this blessed occasion.

2. CUVAS Celebrated 75th Anniversary of Pakistan-China Friendship

Cholistan University of Veterinary and Animal Sciences celebrated the 75th anniversary of Pakistan-China friendship in a dignified and enthusiastic ceremony held today at 11:30 a.m. The event was attended by Worthy Vice Chancellor Prof. Dr. Muhammad Tariq Javed, Dean Faculty of Biosciences Dr. Abdul Ghaffar, and respectable faculty members of the university.

While addressing the participants, Vice Chancellor Prof. Dr. Muhammad Tariq Javed highlighted the historical and everlasting friendship between Pakistan and China and described it as a shining example of mutual trust, cooperation, and sincerity. He stated that both countries had always stood by each other during challenging times and had achieved remarkable progress in defence, education, research, science, technology, and economic development through strong bilateral collaboration. He further emphasized that future cooperation between the two nations, particularly in academic and research fields, would continue to open new avenues of progress and development.

During his keynote address, the Vice Chancellor also spoke about the significance of truthfulness, honesty, and integrity in life. Quoting references from the Holy Quran and Sunnah, he said that truth always led a person towards dignity, peace, and success. He motivated faculty members by sharing that honesty and commitment to truth had been among the major reasons behind his personal and professional achievements and had helped him attain his current position. He encouraged the youth to uphold truth and sincerity in every sphere of life, adding that truthful people were always rewarded with respect and success. The participants highly appreciated the enduring friendship between Pakistan and China and termed it a symbol of peace, progress, and mutual respect. The ceremony concluded with prayers for the continued prosperity of both countries and the strengthening of Pak-China relations in the years ahead.

The ceremony was concluded with a cake-cutting ceremony commemorating the 75th anniversary of Pakistan-China friendship. Prof. Dr. Muhammad Tariq Javed, Dr. Abdul Ghaffar, and faculty members participated in the celebration and expressed their goodwill for stronger Pak-China relations.

3. CUVAS Announces Admissions Fall 2026 with Diverse Academic Opportunities and Scholarships

CUVAS Bahawalpur has officially announced Admissions Fall 2026 for a broad spectrum of undergraduate, postgraduate, Ph.D., associate degree, diploma, and skill-based programs, offering students an excellent opportunity to pursue higher education in modern and emerging fields.

Faculty of Veterinary Sciences

- Doctor of Veterinary Medicine (DVM)
- BS Applied Microbiology
- BS Medical Laboratory Technology

Faculty of Bio Sciences

- BS Computer Science
- BS Computer Science 5th Semester Intake
- BS Human Nutrition and Dietetics
- BS Artificial Intelligence
- BS Information Technology
- BS Biochemistry
- BS Biological Sciences
- BS Chemistry
- BS Food Science and Technology
- BS Zoology

Faculty of Animal Production & Technology

- BS Poultry Science
- BS Animal Sciences
- BS Biotechnology
- BS Bioinformatics
- BS Genetics

Cholistan Institute of Business Administration

- Bachelor of Business Administration
- Bachelor of Business Administration, 5th Semester Intake

Postgraduate Programs (Morning)

M. Phil Programs

- M.Phil Animal Breeding & Genetics
- M. Phil Animal Nutrition
- M. Phil Bioinformatics
- M. Phil Chemistry
- M. Phil Food Science and Technology
- M. Phil Livestock Management
- M. Phil Microbiology
- M. Phil Pathology
- M. Phil Pharmacology & Toxicology
- M. Phil Poultry Science
- M. Phil Biochemistry
- M. Phil Fisheries & Aquaculture
- MS Business Administration
- M. Phil Zoology

Ph.D. Programs

- Ph.D. Animal Breeding & Genetics
- Ph.D. Animal Nutrition
- Ph.D. Pathology
- Ph.D. Microbiology
- Ph.D. Food Science and Technology
- Ph.D. Pharmacology and Toxicology
